# PECB CERTIFIED ISO 55001
## FOUNDATION

## BECOME ACQUAINTED WITH THE BEST PRACTICES FOR IMPLEMENTING AND MANAGING AN ASSET MANAGEMENT SYSTEM (AMS) BASED ON ISO 55001

### SUMMARY

This course enables participants to learn about the best practices in Asset Management as specified in ISO 55001. The participants will learn the essential concepts and processes that are considered most effective in asset management. This training will enable participants to understand the required expertise to support an organization in establishment, implementation, maintenance and improvement of the Asset Management System (AMS) based on ISO 55001:2014. This training also helps understanding how ISO 55001 and ISO 55002 are related.
